More About the Speakers

Dr Conrad WONG, BBS, JP

BSc(Hons), BRS, MSc(Eng), MBA, PhD
FCIOB, FICE, FHKIE, FHKIBIM, FHKICM, FHKIM(Hon.), FHKEng

Dr Conrad Wong is a professional engineer who has over 30 years of building construction experience. He is the Vice Chairman of Yau Lee Holdings Limited, Managing Director of Yau Lee Construction and REC Engineering Co Ltd.

Dr Wong has a fervent interest in sustainable construction practices, including green building technologies, Building Information Modeling (BIM), as well as the innovations in modular construction, and construction automation. His leadership has been instrumental in the implementation of Hong Kong's first concrete Modular Integrated Construction (MiC) for a government housing project.

Dr Wong is very active in public and community services. Currently, he is appointed as the Chairman of the Council of the Hong Kong Metropolitan University, the Chairman of the New Energy Transport Fund Steering Committee and the Deputy Chairman of the Energy Advisory Committee.

Ar Professor Ada FUNG, BBS

BA(AS), BArch
FHKIA, FCIOB, FHKIPM, FHKIBIM, FHKICBIM

Ar Professor Ada Fung is a professional Architect with over 33 years' experience in public housing development in Hong Kong. She is an active member in the architectural field as well as in the construction industry at the local and international arena.

Ar Professor Ada Fung served as Deputy Director at the Hong Kong Housing Authority since 1984. After her retirement in 2017, Ada has been investing her time in green building movement, construction site safety, BIM development and environmental protection, as evinced by the many activities and appointments to serve on public bodies and government boards.

As a chairperson of the Hong Kong Chapter of buildingSMART International, Ada drove openBIM to enable full benefits from digital ways of working in the built asset industry, and fostering societal collaboration for smarter information management across built asset and environment.

Dr Raymond WONG

BSc, BBA, MSSc, MA, PhD
FLMI, LUTCF, ACS, EAP

Dr. Raymond Wong is the Head of ESG Services at iRecycle Charity Foundation, where he oversees the development of initiatives aimed at promoting green procurement practices. His role involves supporting small and medium-sized enterprises (SMEs) in obtaining Sustainable Development Goals (SDG) certification, thereby enhancing their competitiveness as suppliers for listed companies committed to sustainable practices. His expertise in integrated ESG solutions ensures that the foundation effectively promotes both environmental and economic benefits for all stakeholders involved.

Dr Wong has worked in various listed companies across Mainland China and the Asia-Pacific region, covering areas such as financial planning, luxury retail, and the telecommunications industry. He possesses over 25 years of experience in business development, corporate training, marketing, and management. Additionally, Dr Wong has served as a guest lecturer at The Chinese University of Hong Kong, Hong Kong Baptist University, and The Hong Kong Polytechnic University for over 10 years.
